Subject:	S16 S1-2017 Reward Announcement

Hi all,

On behalf of S16 BOD, again, I would like to congratulate all of you on your award for your outstanding achievement in S16 in S1-2017.
Without your enormous contribution and continuous dedication, we can't go this far.

Your reward has been added in your FSCOIN budget. Please check your coin in project: NXP_Management_2017 in Jira.
As planned, this coin would have been paid in July-2017 together with other coins in your project. Unfortunately, we had an issue with approval of this coin budget. Consequently, the payment month will be Jan-2018.

I hope you guys can understand the situation and will not be concerned at all. We also treated this delay as a lesson learnt to work with HR for the future.

Many thanks for your understanding and supporting,
